

Obituary

Born: Thursday, April 13, 1933

Died: Tuesday, October 24, 2017

The morning of October 24, 2017 is the day that our loving father, Thomas M. Prorok, took his last breath. We will miss the twinkle in his eye that always let us know that the big tease was in play. Dad loved his family immensely, and he was never more than a minute away from making us laugh. For many years he had his own business: Tom's Body Shop. Retiring from autobody work freed him to become the Marion Township Tax Collector for twenty years. In this way, Tom was able to meet many of the good folks of the township. Before moving to Marion Township, Tom (with his wife Wanda) served for many years the Democratic Committee of Shaler Township in Allegheny County.
